

WORLD STANDARDS DAY 2018

HOW CAN YOU MAXIMIZE CONSUMER SAFETY & DRIVE INNOVATION?

ENHANCE YOUR ORGANIZATION WITH STANDARDS

Technological advances, including artificial intelligence, smart health, e-commerce and digital transactions, 3D printing, and autonomous vehicles, are changing the way we work and live every day. Global standards and regulations are a large part of these innovations, enabling organizations across nearly every industry to build on established technologies and deploy cutting-edge advancements with safety, efficiency, and consistency.

STANDARDS AND THE INDUSTRIAL REVOLUTIONS

FIRST REVOLUTION	SECOND REVOLUTION	THIRD REVOLUTION	FOURTH REVOLUTION
<p>TRANSITIONING TO NEW MANUFACTURING PRACTICES</p> <ul style="list-style-type: none"> 1833 - First Factory Act provides regulation on child labor in textile factories 	<p>WELCOMING ELECTRICITY AND NEW WAYS TO COMMUNICATE</p> <ul style="list-style-type: none"> 1875 - First Public Health Act to improve public health 1950 - ISO released its first standard and held General Assembly - Stockholm 	<p>THE DIGITAL EVOLUTION</p> <ul style="list-style-type: none"> 1968 - Standard on freight containers issued 1971 - ISO created technical committees in the environmental field 1987 - ISO 9001 Quality Management System Standard published 1996 - ISO 14001 Environmental Management System Standard launched 2005 - ISO 27001 Information Security Management System Standard introduced 2010 - ISO 26000 Social Responsibility Standard published 2011 - ISO 50001 Energy Management System Standard launched 2016 - ISO 37001 Anti-bribery Management System Standard published 	<p>THE EMERGENCE OF ROBOTICS AND ARTIFICIAL INTELLIGENCE</p> <p>NOW - Released of updated standards</p> <ul style="list-style-type: none"> ISO 50001:2018 Energy Management System Standard ISO 45001:2018 Occupational Health and Safety Management System Standard ISO 9001:2015 Quality Management System Standard ISO 14001:2015 Environmental Management System Standard IATF 16949:2016 Automotive Quality Management System Standard General Data Protection Regulation (GDPR)
