

HOW CAN YOU STREAMLINE YOUR COMPLIANCE PROGRAM?

ENHANCE BUSINESS PERFORMANCE WITH SGS SINGLE-AUDIT SOLUTIONS

Every disruption to your business matters. Work with SGS to combine audits that save your business time and money. Regardless of the standard or risk area, we work with you to build a customized solution that maximizes your objectives while minimizing effort.

KEY BENEFITS

SAVE TIME

Fewer audits means less disruption of business operations

LOWER COSTS

Cost-effective service delivery saves money and improves profits

GROW YOUR BUSINESS

Efficiently certify against multiple standards to meet different customer requirements.

OFFERING CROSS INDUSTRY STANDARDS WITH A SINGLE AUDIT

	FOOD	PHARMA	COSMETICS AND PERSONAL CARE
QUALITY AND PRODUCT SAFETY	ISO 9001		
ENVIRONMENTAL & SUSTAINABILITY	FSSC packaging, BRC Packaging, SQF packaging, HACCP-GMP		
SOCIAL ACCOUNTABILITY	ISO 14001, RSPO, ISCC, FSA, ISO 50001		
OCCUPATIONAL HEALTH & SAFETY	SMETA, TFS, Code of Conducts, SA8000		
SECURITY	Pharmaceutical Supply Chain Initiative (PSCI)		
OCCUPATIONAL HEALTH & SAFETY	ISO 45001		
SECURITY	ISO 27001, ISO 28000, ISO 22301, TAPA, CTPAT		

SAVE TIME WITH FEWER AND LESS FREQUENT AUDITS

Audits take time away from your business. Preparing for the audit, management involvement and operational support are all distractions. Reduce your audit time by 30% or more with SGS.

MULTIPLE AUDITS

AUDIT 1: 16.5 DAYS

AUDIT 2: 15.5 DAYS

Total: 32 Days

SINGLE AUDIT

22 DAYS

Actual saved audit time may vary depending on overlap between standards and company structure.

OUR EXPERIENCE IN THE PACKAGING INDUSTRY IS WHAT MAKES US DIFFERENT

At SGS our methods and solutions are built on insights taken from over 2 million certification audits. We have the ability to identify and mitigate potential risk areas, recommend possible solutions and pin point the economic risks associated with each pain point.
